Sales All-in-One Document View

- View all related sales documents for a single transaction in one window
- Accessible from Customer Maintenance, many sales inquiry windows, navigation lists and the home page

The screenshot displays the 'Sales All-in-One View' interface for customer 'AARONFIT0001' (Aaron Fitz Electrical). The interface is organized into five columns, each representing a different document type: Quotes, Orders, Invoices, Cash Receipts, and Credits / Returns. Each column contains a list of documents with their respective values, document numbers, dates, and type IDs. The interface includes a top navigation bar with icons for OK, Clear, Redisplay, Options, Help, and Add Note. Below the navigation bar, there are search fields for Customer and Customer Name. The main content area is divided into five columns, each with a header and a list of documents. The bottom of the interface features navigation buttons for 'Previous 5' and 'Next 5' for each column.
